

HOPE

Down a two-lane road  
passing by many sad trailer homes  
one in particular  
touched my heart

It was one of the dreariest,  
bent and broken,  
but on the front window  
a sign had been placed  
wishing all a "Happy New Year"

Imagine---  
They wished me a Happy New Year  
when one would think  
it had been a very long time  
since they had seen a good year

Surely Hope resides  
Inside
