INTERLIBRARY LOANS

*Requesting materials from
libraries outside the Lake
County Library System*

Can't find it in your library? Try.....**Interlibrary Loan**

Interlibrary loan is used for books and journal articles that are not part of the Lake County Library System collections.

Lake County Library System staff requests items for you from participating libraries.

You are eligible for the service if you have a library card in good standing from one of the Lake County Library System Member or Branch Libraries or are a Reciprocal Borrower from the Osceola County Library System or Polk County Library Cooperative.

Most public, academic and special libraries in the United States and in some cases other countries provide this interlibrary loan service. Each library has its own lending policy which may change at the discretion of that library.

It is understood that anyone

requesting materials from another library will abide by the rules of the supplying library. Although there is generally no charge for interlibrary loans, the supplying library may place restrictions or charge fees for the service. These will require approval from the requesting patron prior to the time of delivery.

**This service is not available to reciprocal borrowers in Marion, Orange, Seminole and Volusia*
