

Invitation

Life from one to life of another
Served in plenty as that of a mother
No questions asked
No requirements tasked
The invitation is made and no other

To happen near the offer unmistakable
Searched and found it's unconsciously taken
No fears arise
No payment's prize
Deposits are made as they're shaken

Happenstance seems the relationship
'Til revelation shows it's a partnership
Neither knows each
Nor do they teach
The bond is God's craftsmanship
