## Macbeth

Birnan Wood to Dunsinane  
Now I am back here again,  
To kill the king in his sleep,  
Now hollow rewards I shall reap.  
Sensibility of madness, it is  
Always better than this.  
To be lost is better than now,  
Alone better than found.

Faced my death  
Forced to die  
as a sinner  
here I lie.
